- Written & Verbal Communication

Professional Experience (This Wording Matters A LOT)

- Supported customers throughout the customer journey while maintaining strong client relationships
- Managed customer accounts, follow-ups, and account-related inquiries in a fast-paced environment
- Resolved customer concerns efficiently while maintaining customer satisfaction and retention
- Documented customer interactions and updates within CRM systems and company platforms
- Collaborated with internal teams to support account management and customer success goals
- Communicated professionally with customers while providing solutions and ongoing support

Technical Skills (ATS Gold)

- CRM Software
- Microsoft Office
- Google Workspace
- Customer Relationship Management
- Account Coordination
- Data Entry
- Reporting & Documentation
- Customer Success Support

Important ATS Tips

- Keep the resume ONE column only
- Avoid graphics, icons, and tables
- Use clear section headings and clean formatting
- Naturally include keywords from each job description
- Focus on relationship management, customer support, account coordination, and retention
- Keep bullet points simple, professional, and easy to scan
- Use strong action words like Managed, Supported, Coordinated, Resolved, and Communicated

How to Use Transferable Skills

Even if your experience comes from customer service, retail, hospitality, office work, or administrative support, you can still qualify for Customer Success and Account Management jobs by focusing on communication, relationship building, problem-solving, organization, and customer support experience.

Best Resume Layout Order

- 1 Name + Contact Information
- 2 Professional Summary
- 3 Core Skills
- 4 Professional Experience
- 5 Technical Skills
- 6 Education

That layout works best for both ATS systems and recruiters scanning resumes quickly. The goal is to keep your resume clean, keyword-rich, and easy to read while clearly showing customer success and account management experience.
