

ATS No Phone Jobs Resume Guide

For no phone jobs, your resume should focus on chat support, email support, data entry, backend work, organization, and written communication skills. The goal is to keep your resume ATS-friendly while still sounding natural and professional to hiring managers.

Strong ATS Keywords for No Phone Jobs

- Chat Support
- Email Support
- Data Entry
- Administrative Support
- Backend Operations
- CRM Systems
- Ticketing Systems
- Written Communication
- Documentation
- Attention to Detail
- Accuracy
- Multitasking
- Processing Requests
- Scheduling
- Microsoft Office
- Google Workspace
- Typing & Documentation

Professional Summary (ATS + Human Friendly)

Detail-oriented professional with experience providing chat and email support, data entry, and backend administrative support in fast-paced environments. Skilled in multitasking, written communication, troubleshooting, and maintaining accuracy while working across multiple systems. Experienced handling customer inquiries, documenting information, processing tasks efficiently, and supporting remote operations.

Core Skills (Better Keyword Targeting)

- Chat & Email Support

- Data Entry
- Administrative Support
- Written Communication
- CRM Systems
- Ticketing Systems
- Multitasking
- Attention to Detail
- Backend Operations
- Microsoft Office & Google Workspace
- Time Management
- Typing & Documentation

Professional Experience (This Wording Matters A LOT)

- Provided professional chat and email support to customers in a remote environment
- Responded to customer inquiries while maintaining strong response times and accuracy
- Documented customer interactions and updated information within CRM and ticketing systems
- Completed data entry tasks and processed customer information efficiently
- Managed multiple tasks and conversations simultaneously while maintaining organization
- Assisted with backend administrative tasks and account updates
- Maintained professionalism and attention to detail while handling sensitive information

Technical Skills (ATS Gold)

- CRM Software
- Ticketing Systems
- Microsoft Office
- Google Workspace
- Data Entry
- Typing & Documentation
- Zoom & Remote Communication Tools
- Backend Administrative Support

Important ATS Tips

- Keep the resume ONE column only

- Avoid graphics, icons, and tables
- Use clear section headings and clean formatting
- Use keywords from the job description naturally throughout the resume
- Focus on chat support, email support, data entry, and backend tasks
- Keep bullet points simple, clear, and easy to scan
- Use strong action words like Managed, Processed, Documented, Supported, and Coordinated

How to Use Transferable Skills

Even if your experience comes from retail, food service, hospitality, childcare, or customer service, you can still qualify for no phone remote jobs by focusing on transferable skills like organization, multitasking, written communication, scheduling, documentation, and problem-solving.

Best Resume Layout Order

- 1 Name + Contact Information
- 2 Professional Summary
- 3 Core Skills
- 4 Professional Experience
- 5 Technical Skills
- 6 Education

That layout works best for both ATS systems and recruiters scanning resumes quickly. The goal is to keep your resume clean, keyword-rich, and easy to read.
